Federal Reserve Board Email comments

Dear Email comments,

Undue the damage of the last 8 years.

Do it now.

We all feel the corruption out here.

Stop the rip-off. Get a grip.

Do it now.

Protect us from the oligarchy of thieves and cash cannibals. The banks.

If you don't stop letting them consume the consumer,

You'll let them kill the goose that has laid the golden eggs all these years.

.

Sincerely,

Mr. Graham Hubbel
