**Subject:** Regulation AA

Jun 12, 2008

Federal Reserve Board Email comments

Dear Email comments,

There is hardly any industry in the U.S.A. which systematically deceives, defrauds, and steals from consumers. The one we know is the CREDIT CARD INDUSTRY.

Proposed regulations to stop these abuses are essential. The steps that the Fed has proposed should be implemented immediately. Furthermore, the wrongdoers must make restitution to innocent victims.

.

Sincerely,

Mr. Alan Grossman
