Federal Reserve Board Email comments

Dear Email comments,

Recently Chase raised my rate even though I have paid more than the minimum for 9 of the last 12 months. They also run a web site for Circuit City which makes it almost impossible to pay online. This of course is to put you in default so that they can cancel your promotional zero % rate and start charging 22% interest! These types of abuses are unconscionable!

.

Sincerely,

Mr. Peter Pillmore
