RE: Credit Card Company abusive practices

Credit card companies need to allow adequate time from the date the bill arrives to the due date. My AMEX bill arrives on the 30th of the month and the bill is due on the 10th. That is only 10 days!

Do not allow interest charges on debts paid off the previous month.

stop CC companies from applying my monthly payment to low interest debt first.

Stop cc comp. from hiking interest rates on existing balances unless I pay 30 days late.

Sincerely,
