Dear Email comments,

Please stay strong and get these new rules enacted.
Many lives have been destroyed because people working to get out of debt keep getting rebuffed by credit card company tactics.

We have every intention on paying and do pay but then a trick is pulled by the credit card company to keep us down when we get close to paying things off. It is even tougher now in this poor economic times.

Thank you,
Duane Stanley

.

Sincerely,

Mr. Duane Stanley
