Subject: Regulation AA

Jun 12, 2008

Federal Reserve Board Email comments

Dear Email comments,

I know someone who ended up paying 44% interest on a Bank of America Credit card. How is that even legal? It is certainly not moral. Banks should not be able to run roughshod over their customers. Credit cards

are often required now if anyone wants to take an airplane trip or rent a car. They should be regulated.

.

Sincerely,

Ms. Isabel Cole
