Subject: Regulation AA

Jun 12, 2008

Federal Reserve Board Email comments

Dear Email comments,

The credit card companies are abusing the poorest of poor, unfair rate hikes and raising the interest rates, without using a proper letter.

They send you a letter that looks like junk mail, it contains a note on your interest going up. Or if you don't like the rate hike pay off your bill, and don't use the card no more.

.

Sincerely,

Mr. Harvey Walker
2534 Indiana Way NE
Canton, OH 44705-2040
