Federal Reserve Board Email comments

Dear Email comments,

Everytime you blink, it seems, the credit card companies come up with a new way to separate a person from his/her money. The business is a one way street and all in favor of credit card companies. The time is now to issue rules that will at least give the consumer a chance against these giants.

Sincerely,

Mr. Manker Harris  
47 Country Pl  
Springfield, IL 62703-5310
