Federal Reserve Board Email comments

Dear Email comments,

Please work to impose rules on the Credit Card companies that do not prey on consumers. This industry has run rampant and unethically for too long and it is time to put regulation around this industry! As a citizen, I respectfully request that you put the American citizen's as

a priority in dealing with this industry and not let the industry bully the system any longer!

Kind Regards.

.

Sincerely,

Ms. Amy Neal
