Dear Email comments,

When we as a country can send foreign aid to people that don't even like us and then allow credit card companies to gouge our citizens, it is criminal. I have credit card debt that I probably won't be able to

complete before Jesus returns. I've requested a rate reduction and was told they couldn't. I don't believe this because they can do whatever they choose. We need help.

.

Sincerely,

Mrs. Lola Talon
