Dear Email comments,

We need to stop this rip-off from the cards companies before is to late for the consumers to avoid it and then get trapped into a labyrinth that has no way to get out. I'm a victim of this scam, from two card companies that changed the rules or just sell your balance to some one else with different rules and higher interest rates. This is just to mention two credits cards I have and haven't been able to get rid of them.

.

Sincerely,

Mr. Rolando Figueroa
