WaMu (Washington Mutual) credit card: If your due date is the 10th, and you pay (online) on the 10th, you are late and are penalized for it. If you want to be credited for paying that day (your due date), you have to pay \$14.95 for the privilege. Even Capital One, one of the most predatory cards slithering out there, gives you until 3:00pm of your due date.
