Ref: Regulation AA - docket No. R-1314 I support your efforts in curbing credit card issuers abusive practices. Full disclosure by credit card issuers is not enough. Do not be discouraged in your efforts, keep up your excellent stewardship.

**Jennifer J. Johnson
Secretary, Board of Governors of the Federal Reserve System**

**I am in full support of the Federal Reserve adapting Regulation AA.
Credit Card Issuers abusive consumer practices has long been known and “Full Disclosure” is not an effective tool in these most desperate financial times for Americans.
Please, continue your efforts in adopting this new regulation.**
