Comments:

Dear Federal Reserve, Please do not approve the UIGEA regulations. The Federal agency should not tell me whether or not i can spend \$5 on an online card game to wind down after a hard day at work. This bill has only been passed on someone's moral grounds and does not help curb problem gambling in any way. Poker is an american game and a game of skill. I am an adult, I dont need the gov't to tell me what to do here. Thanks for your time, Ben Trzaskoma Concerned Citizen
