Subject: Regulation AA

Jun 12, 2008

Federal Reserve Board Email comments

Dear Email comments,

I have been victimized by abusive credit card company practices, such as the failure to allow enough time to pay a bill without late fees, and the charging of continued interest for bills that have already been paid in full.

Please go through with your plans to issue new regulations to stop these abuses. Please do not listen to the banks who are lobbying against these needed and fair reforms.

Sincerely,

Dr. John Landau
