Aug 22, 2008

Federal Reserve Board Email comments

Dear Email comments,

Gentlemen

The Credit Caard industry is out of control. They do what they wish at our expence. They have no standards.

What is even worse, they are now working with the insurance companys to rip us off even more.

Let's see if any politician has the guts to take action.

Sincerely,

Mr. David Whitemore
141 Wickaboag Valley Rd
West Brookfield, MA 01585-2850
