Federal Reserve Board Email comments

Dear Email comments,

Please support legislation that makes the terms of credit card use simple and honest, just like the conditions which govern other products. Just as we have the FDA to make sure we don't eat poisonous food, we also need your leadership to make sure that secretive financial practices are not used against the American people. Thank you and God bless you.  
Greta Casanave

.

Sincerely,

Ms. Margareta Casanave
