**Subject:** Regulation AA

Jul 25, 2008

Dear Email comments,

I have a FICO score xxx, have never paid my bill late, always carry a balance, have never failed to make a payment, yet Capital One doubled my interest rate and their excuse was "its corporate policy". And this when interest rates were going down. That's pure greed.

Sincerely,

Mrs. anita targonski  
Highland Park, IL 60035-5136
