**Subject:** Regulation AA

Jul 28, 2008

Dear Email comments,

Please help people against these big companies who try every angle to separate the public from their money. We struggle enough. Sometimes there's just not enough time to get to pay the bill between receiving the bill and paying it. Stop them from hiking interest rates on debts already paid off the previous month. That's thievery.

.

Sincerely,

Ms. Carmela Turco  
Salisbury Mills, NY 12577-0425
