Dear Email comments,

Please help to put an end to credit card abuses. There must be at

least 21 days between the billing date and the due date. Very often I receive a bill and I only have 5-6 days to pay it before a late charge is enforced. This is unfair and insane! I work full-time, I do not have the time to sit daown to pay bills evry day of the week. Also, I object to having to pay a fee to pay my bill online. Something is wrong and needs to be addressed. Thank-you!

Sincerely,

Mrs. Georgia A. Campbell
