**Subject:** Regulation AA

I vote NO to bank bounce fee policies! Am I ALLOWED to vote?! Not according to my bank.

Cancelled my bounce protection on my account at Wachovia. A month later it happened again. Of course I should be more aware of my balance, with that said, what happened to my request to cancel? Overlooked or more likely ignored by Wachovia. And why is everything is the "small print"? Firstly, so we'll miss it and secondly because banks have so many rules and gimmicks they have to print small to fit the page. Sick of them all..
