Subject: Regulation AA

Jul 25, 2008

Federal Reserve Board Email comments

Dear Email comments,

Credit card companies and too many financial institutions have become greedy on adding/hiding fees for alledged services to their customer accounts. This unethical, if not illegal practice must be stopped. Whether corporations/monolplies like it or not, capitolisim must be regulated by government for he economic system to be successful.

Sincerely,

Mr. Clifford D. Worden
