Federal Reserve Board Email comments

Dear Email comments,

Having had my husband's hours cut at work (he is the main money earner) and with the gas prices as high as they are, times are getting tougher and tougher and I am finding myself getting more and more into credit card debt. Please take action to rein in credit card abuses by credit card companies.
Please enact credit card rules as soon as possible.

.

Sincerely,

Mrs. Stephanie Brown
406 Dalton Rd
Sylva, NC 28779-8604
