Federal Reserve Board Email comments

Dear Email comments,

Credit Card Reform is what this failing economy needs.

Change in this area is what the financially sound middle class citizens of this country need most in this economy. I sincerely believe this will have a longer lasting positive effect on our economy than the recent tax rebate program.

Please enact the propped credit card rules!

.

Sincerely,

Mr. Thomas Beams Sr.
114 Starr St
Norwich, CT 06360-4028
