Subject: Regulation AA

Jul 25, 2008

Federal Reserve Board Email comments

Dear Email comments,

Please take action to control the credit card companies! There should be a law preventing them from raising interest rates whenever they please. They should not be able to raise interest rates just because a payment was late (unless it is over 30 days). They are just as bad as the mortgage companies responsible for the housing crisis.

.

Sincerely,

Mrs. Susan Tremain
