Federal Reserve Board Email comments

Dear Email comments,

Please do something about credit card reform  
our county/state/county/city is so deep in debt our consumers can't  
afford rent and food so they need to use charge cards just to live,  
these companies (Bank of America) on the top of the list have too much  
power.

MAKE CREDIT CARD INTEREST TAX DEDUCTABLE AGAIN !!!

Sincerely,

Ms. patricia mccoul
