Federal Reserve Board Email comments

Dear Email comments,

I an fed up with the tricks the credit card issuers do to fatten up

their bottom lines at my and others expense. Whatever you decide to do to improve the financial well being of consumers will be helpful. There is just too much freedom for those people to "sock it to you".

Sincerely

Myrna Garren
214 S Parkway Dr #9
Brillion, Wi 54110

Sincerely,

Mrs. Myrna Garren
214 S Parkway Dr Apt 9
Brillion, WI 54110-1149
