**Subject:** Regulation AA

Jul 25, 2008

Dear Email comments,

PLEASE take action on all four of the above points stated concerning credit card robbery! Also, please check into the retail stores that sell accounts to companies like GE that charge customers 22 plus percent, which is a shock to many customers.  
Thank-you,

Sincerely,

Mrs. Eva Jeffery-Young  
Norwalk, OH 44857-2030
