I OPENED MY ACCOUNT WITH COMPASS BANK IN MARCH 2008. SINCE OPENING MY ACCOUNT I AM PAYING NSF FEES ALLL OVER THE PLACE. I HAVE PAID ALMOST 2000 IN NSF FEES SINCE MARCH. THEY WAIT TO POST MY DEPOSITS AND CHARGE ME 38.00 FEES WHEN I USE MY CHECKCARD. THEY POST MY CHECKCARD TRANSACTION FIRST AND THEN POST MY DEPOSITS SO I GO NEGATIVE BEFORE THEY CREDIT MY DEPOSIT. THESE ARE DIRECT DEPOSITS TO. THEY GO IN AUTOMATICALLY. I WANT TO START A CLASS ACTION LAWSUIT AGAINST COMPASS THERE ARE TO MANY OF THE SAME COMPLAINTS AND THE COMPLAINTS ARE FROM EVERYWHERE NOT JUST HERE IN AZ. I AM RESEARCHING ON TRYING TO DO A CLASS ACTION LAWSUIT AGAINST COMPASS THEIR BANKING PRACTICES SHOULD BE ILLEGAL. I had to get a lawyer to dipute the fees. My husband went in and questioned the fees on our account on Wednesday and our account was closed out on Wednesday all our account they closed our personal and business accounts and suspended our online access to the accounts it is like they never existed. We had no notice they closed them out and for what reason

they closed them out. After he went in and asked about the NSF fees and got no explanation besides use a register and you need to keep track and manage your money better. After he left that branch they erased us like we never existed. I am sure they probably reported us to Chexsystems I am not sure but the practices at this bank is outrageous. I have never had anything like this in my life happen at any bank in my life. They usually give you notice and reasons they are closing out the accounts. I am also hoping they have not messed with my children's accounts I have 3 young savers accounts opened there. This is the worst bank ever. I also had direct deposit and would have never known our accounts were closed unless I tried to login to our online banking. You question their practices and they erase you like you were never there that there is very questionable at least. Its like they know they are in the wrong and they erase you so you can't talk anymore like some clip out of a movie because you no longer use their so called banking services. We were put on Chexsystems without our knowledge by Compass Bank without giving notice to pay on account before we were put on chexsystems. Usually banks give you notice to pay and a month or 2 before they close out accounts and report you. Not Compass Bank they do what ever they please.
