Subject: Regulation AA

Please don't allow banking and credit card interests continue to bleed Americans (or anyone) dry anymore. This affects everyone and feeds only a greedy few. This country was founded on hard work, honesty and integrity, not sly, underhanded theft from the populace. We will be worse than the Chinese if this continues, we will take their former spot in the world order with many poor and a privileged few (we're very close now).

Rose Samsel RN, BSN
