Affiliation: Address: xxxxx : City: sao paulo State: Country: BRAZIL Zip: PostalCode:  
05602060 Comments: dear sir, I'm watching the current economic problem originate by the mortgage.  
Well, I would like to suggest more options for the us government in order to raise funds not necessarily  
through compressing us citizens. I would like to invest in the real state segment and don't have any idea  
on how to reach that opportunity. I personally know more people interested as well. I ask to myself, why  
us government don't create a real campaign
