Federal Reserve Board Email comments

Dear Email comments,

I am appalled that it is taking something like this to make a difference here. It is good, however, that at least we have an ear. Please help us remain protected from "big business", and, show us that you are not in their pocket.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mr. Joe Sasek
