Dear Email comments,

Just another fraudulent practice designed to keep consumers enslaved by big greedy banks. We need these banks to be told how to ethically run their businesses. Please support this bill.

I was a victim of these practices by Chase. I finally moved all of my accounts to a credit union and I never had a problem again. Banks try to set people up for failure so they can collect profits.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mr. Jacob Miller
