Dear Email comments,

More than ever these days, the banking industry engages in activities that seem to be nothing more than naked greed. Now that they're on the ropes in the current economic crisis, they take great relish it seems, in nickel and diming us through any number of means, such as overdraft protection fees.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mr. Glenn DeBerry
