Federal Reserve, The elimination of YSP will put Mortgage Brokers out of Business! Wisconsin is a no point/ Origination state which means I could not compete against the banks which will eliminate competition and the consumer will pay higher rates and fees. Please do not eliminate YSP because it would put me out of business because I do not charge points or origination fees. Thanks and I welcome your comments Don Caveney U.S. Mortgage Corporation 414-431-3111
