

From: Intero Real Estate / Valence Lending, Darren (Woody) Woodworth
Subject: Reg Z - Truth in Lending

Comments:

Are you for real. Enough is Enough we know you are up to directing business to the big banks. So to cut us down to servants of these big banks is going a little to far. We Loan Officers and Realtors will rise up against this in many numbers. You think the march on Washington on September 12th was big take away are ability to do business and we will show up in much larger numbers.
