To the Federal Reserve Board, When it comes to deciding which banks get good ratings, etc Banks like Bank of America and Wells Fargo that took down our economy should not receive "outstanding" ratings. Banks should no longer be allowed to pick which parts of the country they are graded on or pick which parts of their company get counted! Banks must get failing grades if discriminate by offering toxic loans, less credit, worse credit or inadequate services to African-American and Latino communities Sincerely, Cleo Dioletis
