Federal Reserve Board

Dear Federal Reserve Board:

If CRA had covered more lenders, the economic collapse wouldn't have been so drastic or could have been avoided altogether. Please expand and modernize CRA to cover more lenders to protect communities and borrowers like me.

It really doesn't matter what restrictions the gov. puts on the banks. The Banks via insurance biggies, etc., have better lawyers and will find the loopholes regardless what the gov. regulators do.

The gas and oil that runs this country and the big corps is greed. I don't think one can get over that with 28 days mandated therapy.

Sincerely,

Susan Thompson
