Have you lost your minds? In the depths of an unprecedented catastrophe for the middle class, related to the predatory loans and their rapacious securitization by the financial industry, resulting in millions of middle class Americans losing all of their wealth and their homes, you want to loosen TILA? Are you tone deaf? Have you lost your humanity entirely? Just flat out give all of our money to the banks; you don't need to keep up this pretense of lending money at the discount window, TARPS, Maiden Lanes, etc. Just give the banks all of the money. You are not fooling anybody. Seriously, this is just the last straw. Beth K. Findsen, Esq.
