It is of much concern the proposed decimation of Truth in Lending ("T I L A") mortgage regulation's right of rescission. At the depths of the worst foreclosure crisis since the Great Depression, I am surprised that the Federal I am against the proposed Reserve Board rules that would eviscerate the primary protection homeowners currently have to escape abusive loans and avoid foreclosure: the extended right of rescission in 12 C F R § 2 26.15 and 2 26.23. I demand that this evil proposal be abandoned.
