I think you ought to let the Federale's do what-ever they want to shore -up and make all BANKERS wealthier than they are, and I think it should all be done at the expense and cost of the little people. Thass the Merican way. All the rest of the world knows this. My goodness know, they cannot afford these losses because it would cut into their MILLIONAIR status and XXXXX million Dollar a year Salaries & BONUSES. SEE now, you should help these POOR BANKERS (& YURSEFF too) steal sum more from the poor & the working classes. SINCERELY, D K.
