I am pleased to see that this new legislation includes a provision to assure that appraisers get reasonable and customary fees for their services. The HVAC/Cuomo bill has caused much damage to the appraiser's morale and to their pocket book. I can't tell you what a horrible effect it has had on my business. I have been basically living off of my savings this past year and a half. Please enact this bill so that it will be fair to the appraisers and assure that they will get their fees. Thank you.
