Comments:

Thousands of mortgage brokers are independent small business individuals. They provide a very personal service to their clients, I being one of them. Changing their income compensation to a hourly basis would restrict competition among brokers and increase costs. Many brokers will leave the business just as the Country can least afford more unemployment. I VOTED FOR CHANGE, BUT NOT FOR THIS KIND OF CHANGE. LET INDIVIDUALS HAVE MORE SAY IN THEIR LIVES AND THEIR BUSINESS DECISIONS. IN THIS CASE, SOME BROKERS ARE MORE COPETIENT THAN OTHERS.
LET THE GOOD ONES SURVIVE, THEN ONLY THE POOR BROKERS WILL BECOME UNEMPLOYED.
