Well, I think that bank are a bunch of thieve I've experience this first hand the post the higher amount even 5 days later so that my acct. is overdraft so far I' have paid xxx. in overdraft fees because of the bank operation I've call the bank and for a .37 overdraft they charge me 35.00 every transaction. I'm a single mom an a one income home half of my pay is going toward those overdraft fees not even there online service posted the right information but 2 or 3 day later When I questioned the bank I was inform not to go by the online system I said than Why do you provide the service if is not going to be accurate is miss leading and false. I think they should stop or they should be held responsible for there thievery. (WICHOVIA BANK) Sincerely, Emminora Cruz
