Comments:

My name is Alex Zachariah

I have a mortgage with Wells Fargo Home Mortgage, not of my choosing, but because my earlier financier SOLD my mortgage to Wells Fargo. I have NEVER been a day late on a single payment. To ensure prompt payment, I always mail in my check THREE WEEKS PRIOR to the due date. I do write the actual due date on the checks though, ie. I post-date the checks. The crooks at Wells Fargo brazenly encash those post-dated checks despite the fact that each check is clearly marked "NOT VALID UNTIL THE DATE MARKED ON THIS CHECK". I wrote to Wells Fargo again and again, but they do not respond What can I do to bring Wells Fargo in line?

Sincerely,

Alex Zachariah
