Quick, call me to get in on some real estate deals before they destroy us. I have a great rehab project needing 350,000.00 and I have perfect credit and can't get a loan because they say I don't make enough income that is taxable! This is plain nuts! When we throw the bums out we will fix this but buy or loan on something before it's too late. I have built 400 new homes and rehabed 500 apt. units will also partner. Willing to do a much larger project with 10mill profit potential w/ low risk. But let's do something and provide some jobs and make some money-better than 3% ripoffs from the Socialist banking system.
