Federal Reserve Board
Board of Governors of the Federal Reserve System
20th Street and Constitution Avenue NW
Washington, DC 20551

Dear Federal Reserve Board:

The individual has the right to choose their method of payment, and the market place should be able to decide what to charge for the interchange fee. No government action is needed. More education should be given in public schools as it relates to basic finance rather than how to put a condom on a cucumber or teaching boys how to cook.

Sincerely,

Alexander V. de Boer
