Please, donot impose Debit-card Interchange fees. It is unfair! If those card-companies and banks cannot collect their debts, they should go after the delinquent, but not always take the easy way out and put the charge on the decent citizen who pays already everywhere to cover up losses..Credit-card companies and banks should not give cards to those who put a risk..That is where the solution has to be found!! I hate this legalized robbery..really!  
Regards from a really frustrated Carla Isselmann
