I'm a certified residential real estate appraiser in the central MS area and have been hit really hard by the HVCC. Primarily due to AMC's taking my fee. I could turn down the work for the fee they pay but then I wouldn't be able to provide for my family. It's just a matter of time before I go under. I really wish I was paid a reasonable and customary fee like before the AMC takeover. Probably 80% of the work I do is from AMC's. Some pay more than others and sooner than others. My opinion on reasonable and customary fees would be \$400, which is what I receive from lender clients which don't use AMC's.
