State:
Country:
Zip:
PostalCode:

Comments:

In 1989, FIRREA was enacted with appraiser independence provisions. The net result was that lenders needed smarter lawyers to get around it. Now we are on another round of legislation, with similar goals. Please adopt the spirit of the act, and uphold this legislation, rather than letting the smart lawyers for the special interest groups negate the positive changes which are promised. Prove to me that my government is not corrupt! Please!
